“I was notified by my company that I would be transferred to a new city by April 1st and was concerned that I would not be able to sell my home immediately following the Christmas/New Year Holiday Season. My home went on the market January 1st and was under contract on January 6th. Rich put me at ease and walked me through the process and ensured that my home was staged properly for a quick sale and made recommendations that proved to be right on target. The photographs and marketing collateral were professionally done and some of the best work I have seen. Thanks to Rich, I am now one step closer to relocating. I am definitely a satisfied client.”

Rich was able to accomplish and satisfy all of these requirements in a timely fashion ,on budget and within the agreed time frame. As a result we were able to market the property with a very quick turn time and had it sold at asking price quickly. I would highly recommend Rich for your property sale or acquisition.”
